JOTARO KUJO. SEVENTEEN YEARS OLD, 195 CM TALL.

IT'S BEEN FOUR YEARS SINCE HE WAS REVIVED AND OUR ABILITIES HAVE ONLY SINCE COME UPON US!

I CANNOT TELL. THE BACK-GROUND IS BARELY VISIBLE.

WHAT IS THAT?! THAT WRIGGLING PIECE OF FLESH-- IT LOOKS LIKE A SPIDER...

SKTCH TCH TCH

TCH TCH TCH TCH

...POKING THROUGH TO THE VERY CORE OF HIS MIND, AFFECTING HIS PERSONALITY!

THIS SMALL BUD OF FLESH...

IT CONNECTS ALL THE WAY TO THE POOR BOY'S BRAIN.

IT IS A "FLESH BUD" MADE UP OF DIO'S CELLS...

...THIS FLESH BUD AWAKENS A CERTAIN FEELING FAR BEYOND HIS OWN CONTROL!

TCH TCH

FTCH

IN OTHER WORDS...

THE SHEER EMOTIVE POWER THAT DRIVES A MAN TO FOLLOW HITLER, PUT HIS FAITH IN A CORRUPT CULT, OR SWEAR HIS LOYALTY TO DIO!

CHARISMA!

VOOOOM

IT'LL HURT HIM.

THE BUD WON'T DIE. THE BRAIN IS A VERY DELICATE THING, SO IF HE MOVES WHILE WE'RE TRYING TO REMOVE IT...

SUR-GICALLY REMOVE IT, THEN.

ONCE HIS CONTROL WAS IN PLACE, IT WAS SIMPLE FOR DIO TO USE HIS CHARISMA TO ORDER THIS BOY TO KILL US.

...THERE, AT THE TOP OF MY STAIRS... WAS A MAN LIKE NONE I'D EVER SEEN...
EYES SO COLD IT FELT LIKE HE WAS INVADING MY HEART.
GOLDEN HAIR...
AND SKIN SO WHITE IT ALMOST SEEMED TRANSPARENT.
BUT MOST OF ALL, A BEWITCHING SENSUALITY--
THE KIND YOU WOULDN'T EXPECT FROM A MAN.
I HAD ALREADY MET MR. JOESTAR, SO I KNEW AT ONCE--
THIS WAS DIO, WHO HAD RISEN FROM THE ATLANTIC!
I AM A FORTUNE-TELLER BY TRADE. IT WAS A FULL MOON, AND I HAD COME BACK TO MY SHOP IN KHAN KHALILI WHEN...
...WHEN I MET DIO!
I WAS IN EGYPT... IN CAIRO.

Cairo, Egypt

IT WAS THREE MONTHS AGO THAT HE PUT THAT FLESH BUD INTO MY BRAIN! I RAN INTO DIO WHILE I WAS ON A VACATION WITH MY FAMILY NEAR THE NILE IN EGYPT.

I CAN'T REALLY SAY I KNOW THE ANSWER TO THAT MYSELF...

CHAPTER 9: Head to Egypt

...OVER-TAKEN BY THAT THORNY PLANT STAND!

BUT IN TIME, HER BODY MAY WELL BE...

THEN SHE WILL SLIP INTO A COMA...

MANY FORMS OF SICKNESS, INCLUDING A HIGH FEVER, WILL COME OVER HER.

...AND DIE, NEVER TO OPEN HER EYES AGAIN.

THESE DOCTORS FROM THE SPEEDWAGON FOUNDATION WILL CARE FOR MRS. KUJO NON-STOP, BUT...

IN THE PAST I HAVE SEEN MANY PEOPLE DIE FROM BEING OVERTAKEN BY THEIR STANDS.

EVEN YOU AND I CANNOT DO ANYTHING ABOUT IT...

NO NORMAL DOCTOR CAN SEE WHAT WE ARE DEALING WITH, MUCH LESS CURE HER...

...AND SEVER THE LINK TO HER STAND COMING FROM DIO'S BODY!!

WE JUST NEED TO DEFEAT DIO IN EGYPT BEFORE THEN...

IT WILL TAKE FIFTY DAYS FOR THAT TO HAPPEN TO HER.

BUT THERE IS STILL HOPE FOR MS. HOLLY...

I DON'T KNOW WHAT HAPPENED!

FOR ME TO PASS OUT FROM FEVER LIKE THAT... BUT I FEEL MUCH BETTER AFTER TAKING SOME MEDICINE.

YOU'VE GOT TO BRUSH YOUR TEETH ONCE YOU'RE UP!

EVEN WITHOUT A PLANE, WE CAN EASILY COVER THE 10,000 KM TO EGYPT IN FIFTY DAYS.

A SILK ROAD OF THE SEA, AS IT WERE.

I ALSO AGREE THAT'S BEST.

CROSSING THE BORDER BY LAND MAY BRING US TROUBLE, AND IF WE RUN INTO ANYTHING WHEN TRAVELING THROUGH THE HIMALAYAS OR THE DESERT, THAT'LL EAT UP A LOT OF TIME.

"MY IMAGE OF A HERO IS A LONER"

The idea of making the main character of Part 3 Japanese was something I had thought of doing around the end of Part 1. I had originally planned *JoJo* to be a trilogy, and thought it would be appropriate to have the final, fated confrontation take place in present-day Japan, but I didn't want it to be a tournament-style affair, like what was popular in *Weekly Shonen Jump* at the time. That's when I had the idea of having the characters head for a specific destination, like a road movie, taking inspiration from Jules Verne's *Around the World in Eighty Days*. Years later, a certain TV comedian took a trip across Eurasia along a similar route. Just like with *JoJo's Bizarre Adventure (JoJo no Kimyou na Bouken)* coming out before *Bizarre Stories in This World (Yonimo Kimyou na Monogatari)*, I'll say that for the record, *JoJo* did it first (laughs).

Clint Eastwood, who I love and respect as an actor, served as the model for Jotaro. Jotaro's trademark pose where he points his finger actually was inspired by Eastwood pointing his .44 Magnum. Even details such as Jotaro's catchphrase being "good grief" take inspiration from parts that Eastwood played, where he'd have lines like "A bank robbery? You have to be kidding me..." That's why Jotaro seems a bit "rougher" compared to other *Jump* protagonists. Joseph might be a little easier to get into from a *Weekly Shonen Jump* perspective, but Jotaro actually fits my image of a hero to a tee.

My image of a hero is that of a loner. As opposed to someone who does the right thing looking for compensation or attention from others, my idea of a hero is someone who is an unappreciated symbol of justice.
There are times where taking the correct path leads to loneliness. I also think that heroes shouldn't be in the business of making friends. Jotaro goes on his journey while keeping his feelings bottled up inside because he's a "lone hero." He doesn't celebrate in an over-the-top manner when he defeats an enemy.
For him, a throwaway "good grief" is plenty.

Jotaro has become big enough to function as a synonym for *JoJo* as a whole. I've actually based subsequent JoJos on his visual design and differentiated them from there. My original vision for Jotaro was having him journeying through the desert while wearing his school uniform, and with that, fantastical and bizarre things would happen to him during his day-to-day life. On top of that, it's not your everyday uniform. He's got a chain hooked on to his collar, two belts... I played around with his design quite a bit until I got something that conveyed just the right amount of rebellion. Speaking of teenage rebels, you know how guys used to have chains hanging from their pants, connected to their wallets? I drew Jotaro with his chain on his uniform first (laughs)! Let's add that to the record as well.

The story behind the new illustration for JoJo Part 3 01

Q. What is the meaning of Star Platinum's pose?

A. It represents the starting point for Part 3—the work of Mitsuteru Yokoyama.

The concept of wearing one's school uniform in the desert has its roots in Yokoyama Sensei's *Babel II*. If I were to draw Part 3 all over again, I would have used Yokoyama Sensei's *Tetsujin 28-go* as inspiration for the Stands, representing a return to the basics.
